ASTON STEWART (pictured in the mural below) shared the 2TR Football philosophy of both on and off the pitch people can accomplish greater outcomes when they work together!

With this in mind and in loving memory of Aston, for the second year running there will be a trophy aptly named The Aston Stewart Award for one player from The London Estate Cash Cup that demonstrates the Aston spirit.

One of 2TR Footballs long standing Director's Errol McKenzie (pictured below) a close friend & colleague of the late Aston has sponsored, and will be presenting the trophy award at the finals of the 2025.
